

AMENDMENTS TO THE DRAWINGS

Drawing replacement sheet 1 is attached. The replacement drawing sheet includes amendments to FIGS. 1 and 2 to change loop “30” (located at the right edge 18 of sleeping bag 10 and which engages with toggle 28 on the left edge 16 of sleeping bag 10) to “29”. The changes are in accordance with a request in the Examiner’s Amendment of August 26, 2005. FIGS. 3 and 4 have not been changed.

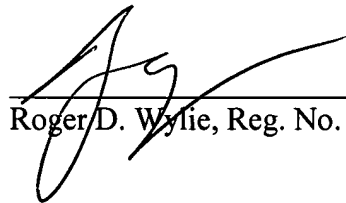

REMARKS

A Notice of Allowance dated August 26, 2005 is pending in the application. In an Examiner's Amendment dated August 26, 2005, the Examiner requested that the reference numeral for loop "30" be changed to "29" in FIGS. 1 and 2. The above amendments to the drawings make such a numeral correction. Therefore, Applicant submits that the application is in condition for allowance.

CONCLUSION

It is respectfully submitted that the claims are in condition for allowance. Such action is respectfully solicited.
